MOTION FOR CONTINUANCE

On the date of 18 July 2013, the dist. allowed Pltf 30 days from date of designation to re-establish a complaint & a pleading. However, said order from dist was not mailed to Pltf until Aug 16 2013: more than 30 days after the dist notarized & dated the document. Pltf prays to dist. to maintain aforementioned case of Ackers V Bank of America, et-al on the grounds that justice must be served despite incompetence of clerical workers @ U.S. Dist court.
